Statement on Iowa Straw Poll

On behalf of Dr. Ron Paul and his wife Carol, and the Ron Paul 2008 campaign staff, I thank our supporters and volunteers in Iowa and throughout the country for the strong showing in the Iowa straw poll. We are pleased and encouraged by the results.

We have the three ingredients for success:

1. The message: freedom, peace and prosperity.
2. The man: Ron Paul.
3. You.

Our campaign has begun.

Kent Snyder
Chairman, Ron Paul 2008
